

Trustees wanted:

your knowledge and vision could help build the success of Birmingham's leading advice provider

"It's charities like you who support me and keep people alive"

"Ever so pleased for the wonderful heavenly service that is being provided by this CAB"

"The advice we have received has stopped us from being evicted and we cannot thank you enough. We can now sleep at night"

Birmingham Citizens Advice Bureau Service is a local charity dedicated to serving the people of Birmingham by providing them with advice and information on a wide range of subjects. We are looking to recruit three people to join our trustee board.

In the last year we helped nearly 27,000 people with over 72,000 issues from debt to benefits advice, avoiding homelessness to coping with the additional costs when diagnosed with cancer. We provide advice and support to people when they don't know where else to turn.

We are currently looking forward to the future and developing our services to meet the challenges the people of Birmingham will face over the next few years. Your ideas, skills and enthusiasm could make all the difference to how we achieve this.

We are seeking people with strategic vision, independent judgement and a willingness to give time and commitment to being a trustee. We are particularly interested in hearing from people with knowledge and experience in:

- Marketing and communications
- Health and social care
- IT infrastructure and services
- Business/commerce or social business

This is a voluntary post. All reasonable expenses are reimbursed.

We particularly value the diversity of our board of trustees. We welcome applications from across Birmingham's many communities.

'Being a trustee for Birmingham CAB is a responsible and challenging position but ultimately a very rewarding one, providing direction for an organisation which provides such an essential service for the people of Birmingham.' Andrew Leigh, CAB Trustee.
